⁴ National Access Point: <https://registr.dopravniinfo.cz/cs/>

⁵ there is no obligation to provide dynamic data in Czech Republic; the provision is currently on a voluntary basis; a compliance assessment according to Article 9 is not carried out

⁶ National Access Point: <https://registr.dopravniinfo.cz/cs/>

3. Data is provided for the following sections:
 - ☐ comprehensive TEN-T network⁷ in Czech Republic;
 - ☒ entire transport network in Czech Republic;
 - ☐ entire areas of the network in Czech Republic listed in the Annex to this self-declaration.
4. Provides the data within the scope of its role⁸ as:
 - ☒ Transport authority;
 - ☐ Transport operator;
 - ☐ Infrastructure manager;
 - ☐ Transport on demand service provider.
5. complies with Article 3 (4) on the provision of metadata.
6. complies with the requirements set out in Article 6 with regard to updating data and correcting any data inaccuracies detected.
7. complies with the provisions referred to in Article 8 with regard to the reuse of travel and traffic data and linking of travel information services, if applicable.
8. cooperates with the competent authority of the Member States for compliance assessment to carry out random inspections of the correctness of the declarations referred to in Article 9 and provides evidence to demonstrate compliance with the requirements set out in Articles 3 to 8. In the course of the compliance assessment, all data, records and relevant documents required for the execution must be made available free of charge and barrier-free.
9. ensures that this self-declaration is up to date and valid and in case of any change that necessitates an update of this self-declaration, provides a timely⁹ amended self-declaration to the competent authority of the Member State for compliance assessment.
10. in order to assess compliance with the requirements set out in Article 9, the self-declaration shall be accompanied by the following documents:
 - a. a description of the availability of travel information services, including, if applicable, connections with other services, as well as information on their quality;
 - b. In addition to paragraph 3 of this self-declaration, the sections of the overall network in Czech Republic for which services are provided.

Optional information:

- Published datasets contain information about public bus transport according to Road Transportation Act (nr. 111/1994) and about public rail transport according to Rail Transportation Act (nr. 266/1994).
